

The biblical account of Joseph clearly demonstrates that God is at work even when life seems to be going wrong. It depicts a young man who endured betrayal, abandonment, injustice, and confusion before understanding God's sovereign plan to redirect him from the pit to the palace.

Even today it's easy to wonder why God would allow calamity to happen or if He's in control at all. Whether through uncontrollable circumstances or the pain of personal relationships, everyone has experienced unforeseen changes in life.
